

EX-DISC

Ex-Disc protected by Intellectual Property/USA Patent 2006/04955

- EX-DISC
-  1.0 m (3' 3")
 -  1.0 m (3' 3")
 -  2.8 kg (6.2 lb)

The Ex-Disc is the best way to give your brand 360° impact and combines the practicality of the Boulevard Banner with the movement of the Flying Banner. This clever design allows the disc to feather out of the wind and the double-sided print shows off your brand from any direction. The innovative clasps are adaptable, attaching to any size pole - from 50 to 300mm.
