PROMO SHOP

- PROMO SHOP
- ▲ 2.1 m (6' 10")
  - ▶ 1.2 m (4' 0")
  - 6.0 kg (13.2 lb)

Our impressive Large and Medium Towers give your brand all-round greater exposure. These are perfect for indoor or outdoor and are effective when illuminated.

The Promo Shop gives you an instant booth and is ideal for product launches, sponsorship events and in-store tasting and sampling. The inner pockets allow you to store brochures or samples and there is also room for a small table or fridge/freezer.
